

1.1 Section 1. Minnesota Statutes 2024, section 297A.99, subdivision 1, is amended to read:

1.2 Subdivision 1. **Authorization; scope.** (a) A political subdivision of this state may impose
1.3 a general sales tax (1) under section 297A.9915, (2) under section 297A.992, (3) under
1.4 section 297A.9925, (4) under section 297A.993, (5) if permitted by special law, or (6) if
1.5 the political subdivision enacted and imposed the tax before January 1, 1982, and its
1.6 predecessor provision.

1.7 (b) This section governs the imposition of a general sales tax by the political subdivision.
1.8 The provisions of this section preempt the provisions of any special law:

1.9 (1) enacted before June 2, 1997~~;~~^{or};

1.10 (2) enacted on or after June 2, 1997, that does not explicitly exempt the special law
1.11 provision from this section's rules by reference; or

1.12 (3) enacted before July 1, 2025.

1.13 (c) This section does not apply to or preempt a sales tax on motor vehicles. Beginning
1.14 July 1, 2019, no political subdivision may impose a special excise tax on motor vehicles
1.15 unless it is imposed under section 297A.993.

1.16 (d) A political subdivision may not advertise or expend funds for the promotion of a
1.17 referendum to support imposing a local sales tax and may only spend funds related to
1.18 imposing a local sales tax to:

1.19 (1) conduct the referendum;

1.20 (2) disseminate information included in the resolution adopted under subdivision 2, but
1.21 only if the disseminated information includes a list of specific projects and the cost of each
1.22 individual project;

1.23 (3) provide notice of, and conduct public forums at which proponents and opponents on
1.24 the merits of the referendum are given equal time to express their opinions on the merits of
1.25 the referendum;

1.26 (4) provide facts and data on the impact of the proposed local sales tax on consumer
1.27 purchases; and

1.28 (5) provide facts and data related to the individual programs and projects to be funded
1.29 with the local sales tax.

1.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

2.1 Sec. 2. Minnesota Statutes 2024, section 297A.99, subdivision 1a, is amended to read:

2.2 Subd. 1a. **Requirements.** Local sales taxes are to be used instead of traditional local
2.3 revenues only for construction and rehabilitation of capital projects when a clear regional
2.4 benefit beyond the taxing jurisdiction can be demonstrated. ~~Use of local sales tax revenues
2.5 for local projects decreases the benefits to taxpayers of the deductibility of local property
2.6 taxes and the state assistance provided through the property tax refund system and increases
2.7 the fiscal inequities between similar communities.~~

2.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

2.9 Sec. 3. Minnesota Statutes 2024, section 297A.99, subdivision 3, is amended to read:

2.10 Subd. 3. **Legislative authority required before voter approval; requirements for**
2.11 **adoption, use, termination.** (a) A political subdivision must receive legislative authority
2.12 to impose a local sales tax before submitting the tax for approval by voters of the political
2.13 subdivision. Imposition of a local sales tax is subject to approval by voters of the political
2.14 subdivision at a general election. The election must be conducted at a general election within
2.15 the two-year period after the governing body of the political subdivision has received
2.16 authority to impose the tax. If the authorizing legislation allows the tax to be imposed for
2.17 more than one project, there must be a separate question approving the use of the tax revenue
2.18 for each project. Notwithstanding the authorizing legislation, a project that is not approved
2.19 by the voters may not be funded with the local sales tax revenue and the ~~termination date
2.20 of the tax set total amount for all projects allowed in the authorizing legislation must be
2.21 reduced proportionately based on the share of that project's cost to the total costs of all
2.22 projects included in the authorizing legislation accordingly.~~

2.23 (b) The proceeds of the tax must be dedicated exclusively to payment of the construction
2.24 and rehabilitation costs and associated bonding costs related to the specific capital
2.25 improvement projects that were approved by the voters under paragraph (a). The political
2.26 subdivision must not commingle revenue from a tax for a project or projects approved by
2.27 the voters under this section with revenue from a local sales tax authorized under section
2.28 297A.9901 or any other law, ordinance, city charter, or other provision, including an
2.29 extension of or modification to the uses of a local sales tax for a different project.

2.30 (c) The political subdivision imposing the tax must notify the commissioner at least 90
2.31 days before the date the political subdivision anticipates that revenues raised from the tax
2.32 are sufficient to fund the projects approved by the voters under paragraph (a). The notification
2.33 applies to each authorization of a tax and each project approved by the voters under paragraph
2.34 (a), regardless of whether the legislature has authorized the tax notwithstanding the

3.1 requirements of paragraph (d). The tax must terminate after the revenues raised are sufficient
3.2 to fund the projects approved by the voters under paragraph (a). The political subdivision
3.3 must notify the commissioner within 30 days of the date that sufficient revenues have been
3.4 raised to fund the projects approved by the voters under paragraph (a).

3.5 (d) After a sales tax imposed by a political subdivision has expired or been terminated,
3.6 the political subdivision is prohibited from imposing a local sales tax for a period of one
3.7 year.

3.8 ~~(e) Notwithstanding paragraph (a), if a political subdivision received voter approval to~~
3.9 ~~seek authority for a local sales tax at the November 6, 2018, general election and is granted~~
3.10 ~~authority to impose a local sales tax before January 1, 2021, the tax may be imposed without~~
3.11 ~~an additional referendum provided that it meets the requirements of subdivision 2 and the~~
3.12 ~~list of specific projects contained in the resolution does not conflict with the projects listed~~
3.13 ~~in the approving referendum.~~

3.14 (f) (e) If a tax is terminated because sufficient revenues have been raised, any amount
3.15 of tax collected under subdivision 9, after sufficient revenues have been raised and before
3.16 the quarterly termination required under subdivision 12, paragraph (a), that is greater than
3.17 the average quarterly revenues collected over the immediately preceding 12 calendar months
3.18 must be retained by the commissioner for deposit in the general fund.

3.19 (f) The total tax rate imposed by a political subdivision under this section or any other
3.20 law, ordinance, or city charter and section 297A.9901 must not exceed one-half of one
3.21 percent, except that this limit does not apply to taxes authorized under this section or any
3.22 other law, ordinance, or city charter before June 1, 2023. Upon expiration of a tax authorized
3.23 under this section or any other law, ordinance, or city charter, the limit in this paragraph
3.24 applies.

3.25 (g) If a county imposes a tax under section 297A.993, the total amount of tax imposed
3.26 by the county under paragraph (f) and section 297A.993 must not exceed one percent, except
3.27 that this limit does not apply to taxes authorized under this section or any other law,
3.28 ordinance, or city charter before June 1, 2023. Upon expiration of a tax authorized under
3.29 this section or any other law, ordinance, or city charter, the limit in this paragraph applies.

3.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.1 Subd. 2. **Policy; requirements.** It is the public policy of the state of Minnesota that local
6.2 sales taxes are to be used instead of traditional local revenues only for construction and
6.3 rehabilitation of capital projects when a clear regional benefit beyond the taxing jurisdiction
6.4 can be demonstrated. Capital projects funded by local sales taxes must serve a regional
6.5 population, provide economic development benefits and opportunities, or draw individuals
6.6 to the region. If charged, access fees for the use of capital projects funded by a local sales
6.7 tax must be equal for residents and nonresidents of the taxing jurisdiction.

6.8 Subd. 3. **Local authorization allowed.** Notwithstanding section 477A.016, or any other
6.9 law or ordinance, a political subdivision may impose, extend, or modify the uses of a local
6.10 sales tax to finance a specified capital project without legislative authorization by
6.11 demonstrating the regional significance of each specified capital project as provided in
6.12 subdivisions 4 to 6. The authorization under this section applies to an extension to or
6.13 modification of a local sales tax authorized under special law or the requirements of section
6.14 297A.99.

6.15 Subd. 4. **Regional community centers; regional sports complexes.** To impose a local
6.16 sales tax to fund construction or remodeling of or improvements to a regional community
6.17 center or regional sports complex, a political subdivision must:

6.18 (1) demonstrate that the regional community center meets the requirements of subdivision
6.19 1, paragraph (l); or

6.20 (2) demonstrate that the regional sports complex meets the requirements of subdivision
6.21 1, paragraph (m); and

6.22 (3) conduct and present an analysis of the surrounding region to demonstrate that there
6.23 is no similar facility open to nonresidents at the same cost as to residents.

6.24 Subd. 5. **Criminal justice facilities.** (a) To impose a local sales tax to fund construction
6.25 or remodeling of or improvements to a correctional facility, a political subdivision must
6.26 demonstrate the need for the facility by providing:

6.27 (1) official documentation of the age of the facility; and

6.28 (2)(i) official correspondence from the Department of Corrections that includes an
6.29 analysis of the facility and description of the improvements or updates needed; or

6.30 (ii) if the facility is a joint project between two or more counties, the joint powers
6.31 agreement or other official documentation between at least one other county demonstrating
6.32 that the facility will serve public safety functions for the region.

7.1 (b) To impose a local sales tax to fund construction or remodeling of or improvements
7.2 to a district court office, a political subdivision must demonstrate the need for the facility
7.3 by providing the age of the facility and a description of improvements needed.

7.4 (c) To impose a local sales tax to fund construction or remodeling of or improvements
7.5 to a law enforcement center, a political subdivision must provide resolutions from
7.6 surrounding counties, statutory or home rule charter cities, or townships affirming that the
7.7 functions of the law enforcement center will meet the needs of the surrounding county,
7.8 statutory or home rule charter city, or township.

7.9 **Subd. 6. Convention centers; parks and trails.** (a) To impose a local sales tax to finance
7.10 construction or remodeling of or improvements to a convention center, a political subdivision
7.11 must demonstrate that the convention center meets the requirements of subdivision 1,
7.12 paragraph (d).

7.13 (b) To impose a local sales tax to finance construction of or improvements to a park, a
7.14 political subdivision must demonstrate how the project meets the criteria described in
7.15 subdivision 1, paragraph (j).

7.16 (c) To impose a local sales tax to finance construction of or improvements to a trail, a
7.17 political subdivision must demonstrate how the project meets the criteria described in
7.18 subdivision 1, paragraph (p).

7.19 **Subd. 7. Demonstration of regional benefit; public hearing.** (a) A political subdivision
7.20 seeking to impose a local sales tax must conduct a public hearing to provide information
7.21 regarding each specified capital project the political subdivision proposes to fund with the
7.22 local sales tax. Notice of the hearing must be provided at least 30 days in advance of the
7.23 hearing and must include:

7.24 (1) the tax rate;

7.25 (2) a description of each project proposed to be funded by the local sales tax; and

7.26 (3) the amount of tax revenue that would be used for each project and the estimated time
7.27 needed to raise that amount of revenue.

7.28 (b) The public must be allowed to speak at the hearing required under paragraph (a).
7.29 The hearing must not be held before 6:00 p.m. The political subdivision must provide a
7.30 website address and a telephone number for the political subdivision that members of the
7.31 public may call if they have questions related to the notice and an address where comments
7.32 will be received by mail, except that no notice required under this paragraph shall be
7.33 interpreted as requiring the printing of a personal telephone number or address as the contact

8.1 information for a political subdivision. If a political subdivision does not maintain a website
8.2 or public offices where telephone calls can be received by the political subdivision, the
8.3 notice of the hearing required under paragraph (a) must indicate that the political subdivision
8.4 does not maintain a website or public offices where telephone calls can be received by the
8.5 political subdivision.

8.6 (c) Political subdivisions are encouraged to obtain demonstrations of support, including
8.7 letters, resolutions, or other official documentation, of each specified capital project to be
8.8 funded with revenue from a local sales tax from adjacent political subdivisions and townships.
8.9 For purposes of this paragraph, a county in which a statutory or home rule charter city or a
8.10 township is located and a statutory or home rule charter city or township located within a
8.11 county qualifies as "adjacent."

8.12 Subd. 8. **Resolution required.** (a) After conducting the public hearing required under
8.13 subdivision 7, paragraphs (a) and (b), and before the governing body of a political subdivision
8.14 seeks voter approval to impose a local sales tax, the governing body shall adopt a resolution
8.15 indicating its approval of the tax. The resolution must include:

8.16 (1) the proposed tax rate;

8.17 (2) a detailed description of no more than three projects to be funded with revenue from
8.18 the tax;

8.19 (3) documentation of the regional significance of each project, including:

8.20 (i) the share of the economic benefit to or use of each project by persons residing or
8.21 businesses located outside of the jurisdiction;

8.22 (ii) demonstration that the project meets the requirements of the applicable definitions
8.23 in subdivision 1; and

8.24 (iii) if applicable, demonstration of support as described in subdivision 7, paragraph (c);

8.25 (4) the amount of local sales tax revenue that would be used for each project and the
8.26 estimated time needed to raise that amount of revenue, inclusive of, if applicable, the
8.27 contribution share to qualified recipients; and

8.28 (5) the total revenue that will be raised for all projects before the tax expires and the
8.29 estimated length of time that the tax will be in effect if all proposed projects are funded.

8.30 (b) The jurisdiction seeking authority to impose a local sales tax by special law must
8.31 submit the resolution and the documentation required under paragraph (a) to the
8.32 commissioner pursuant to section 297A.9902.

9.1 Subd. 9. Voter approval required. (a) Imposition of a local sales tax under this section
9.2 is subject to approval by voters of the political subdivision at a general or special election.
9.3 The election must be held within two years of the date the political subdivision receives
9.4 approval from the commissioner under section 297A.9902 or the date the political subdivision
9.5 receives legislative authorization under special law. A political subdivision may choose to
9.6 conduct the election at a general or special election held on the first Tuesday after the first
9.7 Monday in November. There must be a separate question approving the use of the tax
9.8 revenue for each project. A project that is not approved by the voters may not be funded
9.9 with the local sales tax revenue. For purposes of this section, "general election" and "special
9.10 election" have the meanings given in section 200.02, except that a general election or special
9.11 election held under this section must be held on the first Tuesday after the first Monday in
9.12 November.

9.13 (b) Each ballot question presented to voters must include:

9.14 (1) a description of each specified capital project, including acknowledgment of any
9.15 state mandate for a government service that necessitates the construction of the project, if
9.16 applicable;

9.17 (2) acknowledgment that the political subdivision is seeking authorization from voters
9.18 to impose the sales tax;

9.19 (3) the total cost of each capital project;

9.20 (4) the start date of the project and total project cost that may be generated for a period
9.21 lasting no longer than 30 years;

9.22 (5) the tax rate;

9.23 (6) acknowledgment that the total project cost may increase by up to ... percent and the
9.24 duration of imposition of the tax may increase by up to ... years;

9.25 (7) a statement that by voting "yes" the voter is voting for the tax at the rate specified
9.26 in clause (5) to:

9.27 (i) impose a new local sales tax;

9.28 (ii) increase a local sales tax; or

9.29 (iii) extend a local sales tax that would otherwise expire.

9.30 (c) The ballot language must not contain any statement that informs voters that by voting
9.31 "no" the voter acknowledges that the project subject to approval in the question may be
9.32 funded by increased property taxes.

10.1 Subd. 10. **Administration; termination.** (a) The proceeds of the tax must be dedicated
10.2 exclusively to payment of the construction and rehabilitation costs and associated bonding
10.3 costs related to the specified capital projects approved by the voters under subdivision 9,
10.4 paragraph (a), and, if applicable, contribution share issued to a political subdivision that is
10.5 a contributor for which no qualified recipient exists equalization distributions. The political
10.6 subdivision must not commingle revenue from a tax approved by the voters under this
10.7 section with revenue from a local sales tax authorized under section 297A.99 or any other
10.8 law, ordinance, city charter, or other provision, including an extension of or modification
10.9 to the uses of a local sales tax for a different project.

10.10 (b) The political subdivision imposing the tax must notify the commissioner at least 90
10.11 days before the date the political subdivision anticipates that revenues raised from the tax
10.12 are sufficient to fund the projects approved by the voters under subdivision 9, paragraph
10.13 (a). The notification applies to each authorization of a tax and each project approved by the
10.14 voters under subdivision 9, paragraph (a), regardless of whether the legislature has authorized
10.15 the tax notwithstanding the requirements of paragraph (c). The tax must terminate after the
10.16 revenues raised are sufficient to fund the projects approved by the voters under subdivision
10.17 9, paragraph (a). The political subdivision must notify the commissioner within 30 days of
10.18 the date that sufficient revenues have been raised to fund the projects approved by the voters
10.19 under subdivision 9, paragraph (a).

10.20 (c) After a sales tax imposed by a political subdivision has expired or been terminated,
10.21 the political subdivision is prohibited from imposing a local sales tax for a period of one
10.22 year.

10.23 (d) If a tax is terminated because sufficient revenues have been raised, any amount of
10.24 tax collected after sufficient revenues have been raised and before the quarterly termination
10.25 required under section 297A.99, subdivision 12, paragraph (a), that is greater than the
10.26 average quarterly revenues collected over the immediately preceding 12 calendar months,
10.27 must be retained by the commissioner for deposit in the general fund.

10.28 Subd. 11. **Other provisions apply.** (a) The provisions of section 297A.99, subdivisions
10.29 1, paragraph (d) and 4 to 13, apply to taxes authorized under this subdivision.

10.30 (b) All contracts for construction of specified capital projects under this section that are
10.31 located in a metropolitan county are subject to the requirement to pay the prevailing wage
10.32 rate, as defined in section 177.42, subdivision 6, and to the requirements and enforcement
10.33 provisions of sections 177.27, 177.30, 177.32, 177.41 to 177.435, 177.44, and 177.45. For
10.34 purposes of complying with sections 177.30, paragraph (a), clauses (6) and (7), and 177.41

11.1 to 177.435, the political subdivision imposing the tax is the contracting authority and
11.2 contracting agency and the project is considered a public works project.

11.3 (c) The total tax rate imposed by a political subdivision under this section and section
11.4 297A.99 must not exceed one-half of one percent.

11.5 (d) If a county imposes a tax under section 297A.993, the total amount of tax imposed
11.6 by the county under paragraph (c) and section 297A.993 must not exceed one percent.

11.7 (e) The maximum collection period for a tax imposed under this section is the earlier of
11.8 the amount of time necessary to collect the revenue equal to the cost of the specified capital
11.9 projects approved by the voters, including as associated bonding costs, or 30 years.

11.10 Subd. 12. **Bonds; authorization.** (a) A political subdivision may issue bonds under
11.11 chapter 475 to finance all or a portion of the costs of a specified capital project. The aggregate
11.12 principal amount of bonds issued must not exceed the cost of a qualifying capital project
11.13 approved by the voters, plus associated bonding costs. The bonds may be paid from or
11.14 secured by any funds available to the political subdivision, including the tax authorized
11.15 under this section and approved by the voters. The issuance of bonds under this subdivision
11.16 is not subject to sections 275.60 and 275.61.

11.17 (b) A separate election to approve the bonds under section 475.58 is not required.

11.18 Subd. 13. **Filing and imposition requirements.** (a) A political subdivision that has
11.19 received approval to impose a tax from the commissioner under this section must file a
11.20 certificate of local approval with the secretary of state within 60 days after receiving voter
11.21 approval for the tax to be lawfully imposed. If the tax is approved by the voters, the political
11.22 subdivision must impose the tax within 15 months of receiving the voter approval. If the
11.23 tax is not imposed within 15 months, the authority to impose the tax under this section
11.24 expires.

11.25 (b) If, after receiving voter approval, a political subdivision cancels a project approved
11.26 by the voters, the political subdivision must notify the commissioner. The commissioner
11.27 must proportionately decrease the maximum amount of tax revenue the political subdivision
11.28 may collect. If the political subdivision has already collected revenue for the canceled
11.29 project, the political subdivision must return the funds to the commissioner for deposit to
11.30 the general fund. The political subdivision must use any other source of revenue available
11.31 to pay any outstanding debt on the bonds that were issued for the canceled project.

11.32 Subd. 14. **Allowance for inflation.** (a) Before the expiration of the 15-month period
11.33 under subdivision 13, paragraph (a), a political subdivision may increase the amount approved

12.1 by the voters to finance the specified capital project or the amount of time the tax may be
12.2 imposed as approved by the voters to collect revenues sufficient to fund the specified capital
12.3 project, or both.

12.4 (b) The total cost of the specified project as approved by the voters under subdivision
12.5 9, paragraph (b), clause (3), may be increased by the greater of:

12.6 (1); or

12.7 (2) plus the rate of change in inflation according to the Producer Price Index for New
