RE: Letter of Support for Improvements to Highway 73

It is my pleasure to write this letter in support of the proposed improvements to an eight (8) mile section of Highway 73 south of Highway 210. As a former Lieutenant with the Minnesota State Patrol and current Chief of Police for the City of Moose Lake, I have responded to several crashes along this stretch of highway. Traffic safety is a top priority for law enforcement and I fully support funding in the upcoming infrastructure bill for this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Darren W. Juntunen".
