1.3 "Sec. 2. APPROPRIATION; TRANSPORTATION MANAGEMENT
1.4 ORGANIZATION DEVELOPMENT.

1.5 \$350,000 in fiscal year 2024 is appropriated from the general fund to the commissioner
1.6 of transportation for grants to the city of Chatfield to develop a transportation management
1.7 organization in southeastern Minnesota. The commissioner must not retain any portion of
1.8 this appropriation. Funds under this section are available for developing a comprehensive
1.9 assessment and financial plan for a transportation management organization in the counties
1.10 of Rice, Goodhue, Dodge, Steele, Wabasha, Olmsted, Winona, Freeborn, Mower, Fillmore,
1.11 and Houston. From funds under this section, the study must assess how the transportation
1.12 management organization can develop resources to meet the region's growing and changing
1.13 transportation needs and prioritize transportation-related challenges that affect the region's
1.14 workforce, access to health care and postsecondary education, and quality of life."
