To Whom It May Concern,

This letter is to verify that Senator Bobby Joe Champion in his legal capacity as an attorney. represented Reverend Jerry McAfee and Salem Inc in litigation filed by Superior Finance Inc. The service provided by Senator Champion was pro bono. The matter was resolved by a mutual settlement agreement and release on October 7, 2022. Senator Bobby Joe Champion did not provide any further legal services to Salem Inc or Reverend Jerry McAfee after that date. The only action required by the settlement agreement was for the plaintiff's attorney to file orders for dismissal without prejudice on all cases related to the October 7, 2022 fully executed mutual settlement agreement and release. All further legal matters were handled by a hired attorney to represent Salem Inc and Reverend Jerry McAfee.

Sincerely,

A handwritten signature in black ink that reads 'Jerry McAfee'.

Rev. Jerry McAfee  
President, Salem Inc
