About **35,000 Minnesota kids** don't have the expected skills to be considered 'ready' for Kindergarten. (Minnpost, Nonprofit, nonpartisan journalism/Star & Tribune, May 8, 2021)

We need to do something about this.
First 5 years have so much to do with how next 80 turn out. (Bill Gates)

RESEARCH - ECONOMICS

- According to research, every \$1 invested in quality preschool for disadvantaged kids returns up to \$16 to taxpayers. (Research Director Minneapolis Federal Reserve/Star Tribune May 8, 2021)
- 7-10% Return on Investment – money invested in Early Childhood Education (Star Tribune, May 15, 2022)
- Long Term Impact of Preschool – greater academic success, higher earnings & better health (Perry Study Michigan Through age 40, N.Y. Times, December 2, 2021)
- Children who attended preschool had graduation rates averaging nearly 80% percent, while the graduation rate for those not enrolled was only 60%. (Perry Study Michigan)
- Minnesota ranks 37th in the country in regards to Access to Preschool. Iowa is 5th. Wisconsin is 7th. ([NIEER](#), 2003)

The text 'St. Cloud Area School District' is written in a black serif font. To the right of the text is a logo for '742!'. The logo consists of the numbers '742' in a stylized, outlined font where the '7' is red, the '4' is green, and the '2' is blue. An exclamation point is to the right of the numbers. A green leafy branch curves around the numbers from the top right.
