9.16 Subdivision 1. Requirements for examiners. (a) A doctor of chiropractic conducting
 9.17 a physical examination of a patient or a review of records by a doctor of chiropractic, for
 9.18 the purpose of generating a report or opinion to aid a reparation obligor under chapter 65B
 9.19 in making a determination regarding the condition or further treatment of the patient, shall
 9.20 meet the following requirements:

9.21 (1) the doctor of chiropractic must either be an instructor at an accredited school of
 9.22 chiropractic or have devoted not less than 50 percent of practice time to direct patient care
 9.23 during the two years immediately preceding the examination;

9.24 (2) the doctor of chiropractic must have completed any annual continuing education
 9.25 requirements for chiropractors prescribed by the Board of Chiropractic Examiners;

9.26 (3) the doctor of chiropractic must not accept a fee of more than \$500 for each
 9.27 independent exam conducted; and

9.28 (4) the doctor of chiropractic must register with the Board of Chiropractic Examiners
 9.29 as an independent examiner and adhere to all rules governing the practice of chiropractic.

9.30 (b) The examiner must identify in the written report the source of all records reviewed
 9.31 and the dates or period of services covered by those records. The examiner's notes and a

10.1 copy of the final written report must be retained for at least four years following the
10.2 examination.

10.3 (c) Before conducting an independent examination, the examiner must provide written
10.4 disclosures to the examinee that clearly state the purpose of the examination and the
10.5 examinee's right to have a third party present under subdivision 2.

10.6 Subd. 2. **Third-party presence during examinations.** (a) An examiner performing an
10.7 independent examination under this section must not prohibit the examinee from having a
10.8 third party of the examinee's choice present during the consultation and examination. The
10.9 examiner must not bar the presence of a third party based on the third party's training or
10.10 credentials. Advance notice to the examiner or to any other person, organization, or agency
10.11 is not required for the presence of a third party under this subdivision.

10.12 (b) The third party must provide their name to the examiner. The examiner must document
10.13 the presence and stated identity of any third party in the written report of the examination.

10.14 (c) A third party may make a written or audio recording of the consultation or examination
10.15 if the recording does not obstruct the conduct of the examination. A third party must not
10.16 make a video recording of the consultation or examination.

10.17 (d) An examiner must not consider the examinee's exercise of rights under this subdivision
10.18 as failing to cooperate with the examination. If an examiner determines that the examination
10.19 has been obstructed, the examiner must describe in detail the nature of the obstruction in
10.20 the body of the written report. For purposes of this subdivision, "obstruct" means to hinder
10.21 the examination to the degree that the examination cannot be completed, unless the
10.22 obstruction is necessary for the safety or well-being of the patient.

10.23 Subd. 3. **Violation.** A violation of this section constitutes unprofessional conduct under
10.24 section 148.10, subdivision 1, paragraph (e).

10.25 **EFFECTIVE DATE.** This section is effective July 1, 2026.

10.26 Sec. 9. **[148.095] ADMINISTRATIVE HOLD DURING COMPLAINT RESOLUTION**
10.27 **PROCESS.**

10.28 Subdivision 1. **Administrative hold.** (a) If there is a pending complaint against a licensee
10.29 and the licensee fails to pay required renewal fees, fails to renew the license, or fails to
10.30 complete required continuing education hours within the time prescribed by law, the board
10.31 must place the license on an administrative hold.

10.32 (b) A license on an administrative hold:

11.1 (1) is expired and does not authorize the licensee to engage in the practice of chiropractic;
 11.2 and

11.3 (2) remains under the board's full jurisdiction for all purposes under sections 148.10 and
 11.4 214.103, including investigation, adjudication, and imposition of discipline.

11.5 Subd. 2. **Prohibition on status change while on administrative hold.** (a) If the board
 11.6 places a license on administrative hold, the board must not:

11.7 (1) accept an application to voluntarily retire the license under section 148.075;

11.8 (2) terminate the license for failing to renew or to complete continuing education
 11.9 requirements; or

11.10 (3) otherwise change the license status of the licensee in a manner that allows the licensee
 11.11 to delay, avoid, or terminate the complaint resolution process.

11.12 (b) The board must remove the administrative hold upon the resolution of all pending
 11.13 complaints against the licensee.

11.14 Subd. 3. **Licensee obligations not suspended.** An administrative hold on a license does
 11.15 not relieve a licensee of the legal obligation to timely renew the license, pay renewal or
 11.16 other required fees, or complete continuing education hours according to law.

11.17 **EFFECTIVE DATE.** This section is effective July 1, 2026.

11.18 Sec. 10. Minnesota Statutes 2024, section 148.10, is amended by adding a subdivision to
 11.19 read:

11.20 Subd. 8. **Loss and restoration of good standing.** The pendency of a complaint does
 11.21 not cause a license to lose good standing unless: (1) the complaint results in disciplinary
 11.22 action under this section or an equivalent disciplinary law in another jurisdiction; or (2) a
 11.23 stipulation and order or an equivalent order in another jurisdiction provides for the loss of
 11.24 good standing. A license is restored to good standing upon the satisfactory completion,
 11.25 expiration, or other agreed-upon termination of all terms of a stipulation and order or an
 11.26 equivalent order in another jurisdiction. An agreement for corrective action as described
 11.27 under section 214.103, subdivision 6, does not cause a license to lose good standing.

11.28 **EFFECTIVE DATE.** This section is effective July 1, 2026.

11.29 Sec. 11. Minnesota Statutes 2024, section 148.102, subdivision 3, is amended to read:

11.30 Subd. 3. **Insurers.** ~~Two times each year~~ (a) Every January 1 and July 1, each insurer
 11.31 authorized to sell insurance described in section 60A.06, subdivision 1, clause (13), and

12.1 providing professional liability insurance to chiropractors shall submit to the board a report
 12.2 concerning the chiropractors against whom malpractice settlements or awards have been
 12.3 made to the plaintiff. The report must contain at least the following information:

12.4 (1) the total number of malpractice settlements or awards made to the plaintiff;

12.5 (2) the date the malpractice settlements or awards to the plaintiff were made;

12.6 (3) the allegations contained in the claim or complaint leading to the settlements or
 12.7 awards made to the plaintiff;

12.8 (4) the dollar amount of each malpractice settlement or award;

12.9 (5) the regular address of the practice of the doctor of chiropractic against whom an
 12.10 award was made or with whom a settlement was made; and

12.11 (6) the name of the doctor of chiropractic against whom an award was made or with
 12.12 whom a settlement was made.

12.13 (b) The insurance company shall, in addition to the above information, report to the
 12.14 board any information it possesses which tends to substantiate a charge that a doctor of
 12.15 chiropractic may have engaged in conduct violating section 148.10 and this section.

12.16 **EFFECTIVE DATE.** This section is effective July 1, 2026.

12.17 Sec. 12. Minnesota Statutes 2024, section 148.105, subdivision 1, is amended to read:

12.18 Subdivision 1. **Generally.** Any person who practices, or attempts to practice, chiropractic
 12.19 or who uses any of the terms or letters "Doctors of Chiropractic," "Chiropractor," "DC," or
 12.20 any other title or letters under any circumstances as to lead the public to believe that the
 12.21 person who so uses the terms is engaged in the practice of chiropractic, without having
 12.22 complied with the provisions of sections 148.01 to 148.104, is guilty of a gross misdemeanor;
 12.23 and, upon conviction, fined not less than \$1,000 nor more than \$10,000 or be imprisoned
